Re: **Updates to 2014 CDBG OOR Application**

On July 17, 2014, IHCD released an updated version of the 2014 CDBG OOR application forms and policy. The following edits have been made:

Application

Project Characteristics, Page 11: Under Targeted Populations the following scoring categories have been removed:

- Aging In Place: 50%-99% of Population served 55 and Older and/or Disabled, 10 points
- Aging In Place: Below 50% of Population served 55 and Older and/or Disabled, 0 points
- Families with Children: 50%-99% of Population served is Families with Children, 10 points
- Families with Children: Below 50% of Population served is Families with Children, 0 points

The current scoring categories are below:

Target Population: Aging in Place	Points
100% of Population served 55 and Older and/or Disabled	20
1% - 99% of Population served 55 and Older and/or Disabled	10
Target Population: Families with Children	
100% of Population served is Families with Children	15
1% - 99% of Population served is Families with Children	5
Total Points Possible	20

Application Packet

Scoring: Page 17 of the policy has been revised to reflect the current scoring categories and point amounts.
